Integrated Industrial Electrical Solutions
Built to Meet Your Needs

OUR COMPANY

Interstates delivers electrical construction, electrical engineering, and control systems solutions to industrial manufacturing and processing facilities worldwide. With 70+ years of expertise, we've grown from a small electrical company to a trusted partner with more than 1,600 team members and multiple locations across the United States. Backed by this depth of experience, our local teams deliver integrated electrical solutions directly to our clients, focusing on meeting your unique needs. At the heart of our success is a collaborative work culture built on trust, integrity, and mutual support.

OUR SOLUTIONS

At Interstates, we deliver services tailored to your unique needs. Our integrated approach allows us to provide one or all of our services, depending on your goals. Whether your project is large or small, we are committed to "Understanding Needs and Delivering Results." You can rely on us to complete your project on time, on budget, and to the highest quality standards.

WE CAN DO THAT

- 1** **Electrical Engineering & Construction**
- 2** **Industrial Automation & Controls**
- 3** **Maintenance & Support**
- 4** **Studies & Audits**
- 5** **Operational Technology**
- 6** **Manufacturing & Prefabrication**
- 7** **Industrial Analytics**
